

# Lily Llama's Pet Photo Competition

Do you have a pet who you would like to enter into our competition?

I want to see how you are including your dog, cat, rabbit, hamster (or maybe even one of my Llama friends!) in your party!

Add your pictures to the facebook group using the hashtag **#MyPetisAPartyAnimal** and each month we will announce the winning photo!

Please make sure you are not putting your pets under any stress or harm and that they're comfortable at all times when including them in photos

Don't forget to share your pictures on our **Party Animals Facebook Group** »
