

Racing Green Playdough

Learn how to make my simple playdough which you can play with again and again. Mould into any horse racing themed shape you like! You could make a Gold Cup, a jockey or even a horse! You may need to ask a grown up to help you.

Ingredients:

- Bowl
- 1 cup cold water
- 1 cup salt
- 2 teaspoons vegetable oil
- Food colouring – you can make your playdough any colour you like
- 3 cups flour
- 2 tablespoons cornflour

Method

1. In a bowl, mix water, salt, oil, and enough food colouring to make a bright colour.
2. Gradually add flour and cornflour until the mixture reaches the consistency of bread dough.
3. Store in an airtight container.
