# Christmas Cloud Dough Recipe

A fun, sensory activity for the festive season!

## You'll Need:

- 7 cups plain flour
- 1 cup vegetable oil
- 1 cup red or green powdered paint (optional for colour)
- Peppermint extract (optional for a festive scent)
- Sequins (optional for sparkle)
- Christmas-shaped cutters
- A tray for play

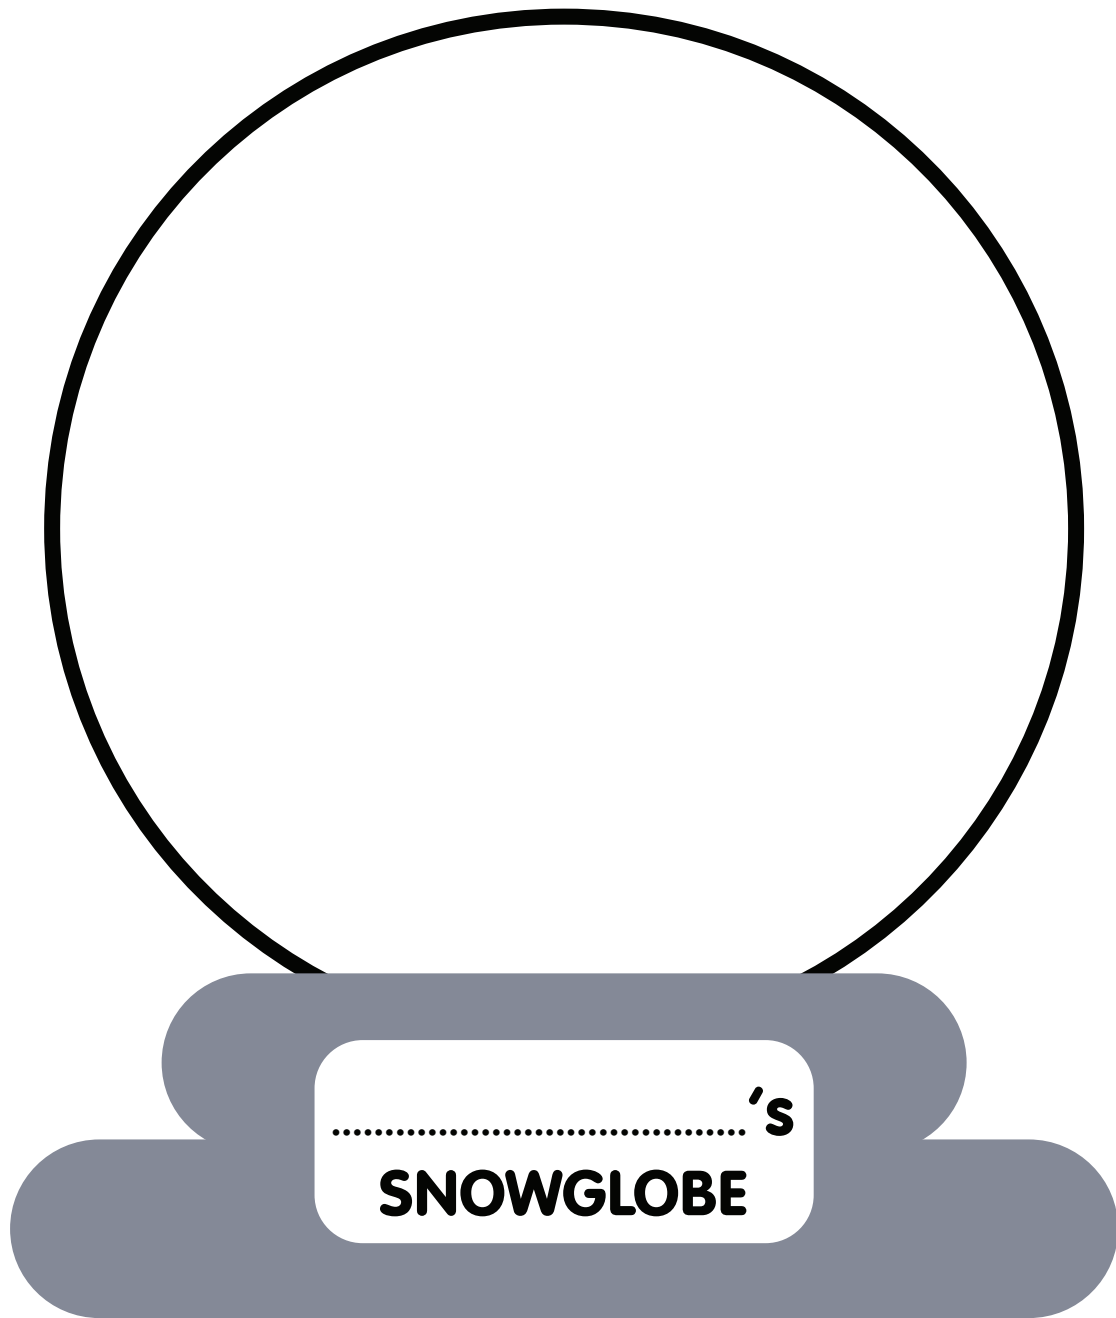

## Steps:

1. Mix the flour and powdered paint in a large bowl.
2. Add the vegetable oil slowly, stirring until the mixture feels soft and mouldable (like damp sand).
3. Add a few drops of peppermint extract for a festive scent.
4. Sprinkle in sequins for extra sparkle.
5. Spread the dough on a tray and use Christmas cutters to make fun shapes.
6. Store in an airtight container when not in use.
